AUC launches free online courses to help Egyptian high school students improve English skills and gain access to top universities AUC Road to College program offers free online English-language learning for students. The goal is to equip them with skills needed for university success. The program includes nine courses from A2 to B2 level. Learners participate in speech tasks, dialogues, debates, and presentations on various topics. They listen to online materials and engage in real-life tasks throughout the term. Upon completion, learners can identify main ideas, practice speaking, discuss engaging topics, dramatize situations through role-playing, and make presentations. The program starts every two weeks during school summer vacation months, starting June 1, 2024.
